## BAND INFO

Pleasure Trips are colourful, frisky and from Berlin. Their Alternative Pop is a mix of catchy tunes and introspective lyrics without being either corny and melodramatic. Charming and upbeat, they're not afraid to walk on the sunny side of pop music – but never go full kitsch.

Since 2016 Pleasure Trips have played together in various formations creating an eclectic mix of British Indierock, New York Postpunk, 60s Soul and Caribbean Rhythms – plus a few other tricks tossed in for good measure.

Frontman Marius G. used to live in Liverpool and Manchester for a good while, which has been a distinct influence on his song writing. The bands' sound is completed with upbeat harmonies by Katharina S. on keys, punchy basslines by Aussie Chris D. and playful drum beats by Mo W.

In January 2019 Pleasure Trips released their depute EP [Do You Want Me](#) and in June 2020 their first full-length album [Lovers and Doubters](#) followed.

The band is actively gigging in Berlin and has played in legendary venues, such as Badehaus, Supamolly, Cassiopeia, Hangar49 and Artliners, as well as the Suppe&Mucke Festival, der Fete de la Musique and the Liebig Lieb Ick Festival. To promote their new album, they are touring through Germany and Europe in late 2020 and in 2021.

## Reviews

*"Do You Want Me* takes us on a charmingly diverse jaunt which never fails to deliver the goods. Delivering wry and often self-deprecating lyrics about life and love without being overly melancholic or sentimental is no easy task but it is achieved with aplomb. And the diversity of the material covered by this colourful bunch of musicians makes this EP infinitely listenable, charmingly eccentric and engaging to boot. If you enjoy dipping your toes in the rock pool of introspection while appreciating the sunshine and joy of life you need to listen to Pleasure Trips."

"The 4-piece showed a packed Berlin room that the old-fashioned fun of being in a rock'n'roll band is, and will continue to be, at the heart of their act."
